### 1.0 PURPOSE

To establish NSLS and NSLS II specific responsibilities and procedures for reporting, documenting, and implementing corrective actions related to nonconformances addressed in the BNL SBMS subject area "Nonconformance and Preventive and Corrective Action".

# 2.0 SCOPE

This document is a supplemental procedure to the BNL SBMS subject area "Nonconformance and Preventive and Corrective Action" which is applicable when the quality and usability of items, services, or processes do not meet requirements.

### 3.0 REFERENCES

- 3.1 "Nonconformance and Preventive and Corrective Action" subject area.
- 3.2 <u>Light Sources Directorate Nonconformance Report (NCR) form</u> QF-015.
- 3.3 <u>Assessment Tracking System (ATS)</u> refer to for viewing assessments, nonconformances, conditions, or actions, or for an overview of the ATS system.

# 4.0 **DEFINITIONS**

- 4.1 "Nonconformance and Preventive and Corrective Action" subject area definitions.
- 4.2 <u>Assessment Tracking System (ATS)</u> an online database used to manage assessments, nonconformances, conditions, and corrective actions.

# 5.0 PROCEDURE

- 5.1 Follow the procedures indicated in the SBMS "Nonconformance and Preventive and Corrective Action" subject area unless otherwise stated in this supplemental procedure.
- 5.2 Complete a Light Sources Directorate Nonconformance Report (NCR) to document nonconformances of processes, systems, and if applicable, procured items. In lieu of the NCR form, nonconformances may be documented within Light Sources Directorate assessment reports. Include a corrective and/or preventive action plan, obtain signature approval for the plan, and develop a distribution list for the form/report. The distribution list should include individuals listed on the <a href="NSLS">NSLS II</a> NCR Standard Distribution List and individuals affected by the nonconformance.

<u>Note</u>: Alternative reporting methods for nonconforming procured items are addressed in the guidelines section of the "<u>Nonconformance and Preventive and Corrective Action</u>" subject area.
